## Success Stories

**TsUM – World Renowned Shopping Center Surveillance in extraordinary detail**

TsUM is the biggest and one of the most renowned fashion department stores in Eastern Europe. Their critical security challenges in the past were the deprived video quality and narrow view coverage. To solve all the surveillance issues at hand, TsUM deployed 2x NUUO Titan NVR to record total of 69 4-Megapixel cameras (Sanyo HD-2100)...[Read more](#)
