NUUO Australia & New Zealand Announces New Regional Sales Manager - **Emmanuel Pirrotta**

October 2015 - NUUO today announces the addition of their latest new member, Emmanuel Pirrotta who will assume the role and responsibilities as Regional Sales Manager for Australia and New Zealand. NUUO hopes to strengthen this market with addition sales force and Pirrotta, with his valuable knowledge and relationships from previous roles within the integrator, wholesaler and manufacturer background will be the ideal candidate to continue growing this market.

"NUUO has a good base of clientele in the Australian / New Zealand region and the appointment of a factory representative will only strengthen that. Having local support is imperative in this region as demands change rapidly, especially in an ever evolving/changing security market. The current product lines, combined with the exciting roadmap that NUUO has, guarantee's an exciting future for this market and others," says Pirrotta

Thank You for Coming Cairo ICT 2015 in Egypt

Dear Cairo ICT sponsors and exhibitors, Mistrtech SAE and Egyptian Co. For Electrical Equipment (ECEE), On behalf of NUUO Inc, I would like to thank you for your generous support at this year's fair.

With your participation in the trade show, our delegates had the opportunity to meet you and learn more about our products and services. Their professional development was enhanced by your contributions. You kept members informed about our products and services that will better help them do their jobs.

Our highest priority was to provide you with the support needed while you interacted with delegates at your booth. We hope that you enjoyed your time.

We have received very positive feedback from all attendees and it is thanks to your collaboration and support your booths were such a great success.

Thank you again for exhibiting and your continued support to NUUO Inc.

Daghang Salamat sa imong tanan Cebu, Philippines!

Thank you Cebu (MEC Networks Corporation Cebu, System Integrators, End-Users and Owners) for attending NUUO's 3-Day Training in engineering the future-proof designs of Surveillance, Security Systems and other applications using NUUO's different system solution approach.

Thank you for Coming AXIS SUMMIT in Philippines

NUUO Philippines showcasing Facial recognition and Retail Solutions (Security and Business process systems). We would like to take this opportunity to thank you for using our products and service. We are always looking to improve not only NUUO product, but also our key services experience for our customers!
